A booking will only be held once 40% of the Total Daily Rate of the safari has been received as a deposit and a contract has been undertaken between John X Safaris and the client.

Trophy fees will be determined and locked at those prices of the year in which a deposit is paid, unless stated differently within your contract.

Full payment of the balance of the total daily rate for the safari is due upon arrival at camp.

Trophy fees can be settled at the end of the hunt.

Credit Cards - A 3.5% surcharge will be levied on all credit card transactions.

Checks - A 1% surcharge will be levied on all cheque transactions.

Wire Transfer - Free - 0% Surcharge

IF you wish - Tips can be added to the final bill of the safari and tallied to your Safari total.

Check with your Professional Hunter what the norm is on tipping and at all times keep in mind a tip is a bonus greatly appreciated, but not expected.
